

Memorial Book

In Loving Memory of

Dimitris Stefanou

(June 1, 1980 - November 12, 2008)

Fear not death, for the sooner we die the longer we shall be immortal.

Benjamin Franklin

You were so full of life,
Always smiling and carefree,
life loved you being a part of it,
and we loved you being a part of us.
You could make anyone laugh,
if they were having a bad day
Nothing could ever stop you
or ever make you fall,
You were ready to take on the world
ready to do it all,

But God decided he needed you
so from this world you left
But you took a piece of all of us,
our hearts are what you kept.

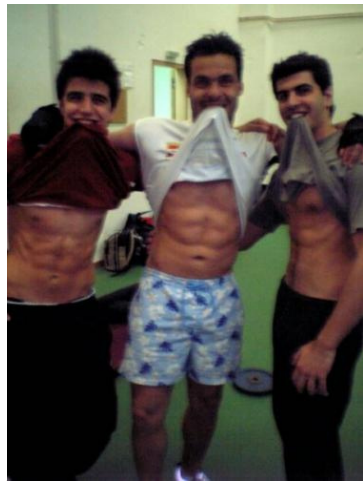

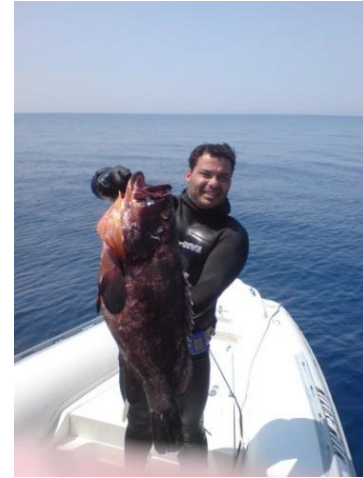

Your seat is now empty
and it's hard no to see your face.
But please always know this
No one will ever take your place.
You left without a warning,
Not even saying goodbye
And i can't seem to stop
Asking the question WHY?
But i know you are in heaven
watching over us.
We didn't see this coming
And when you left this world
A small part of us died
everyday for the rest of our life.
We'll be missing you!!!

This memorial website was created to remember our dearest **Dimitris Stefanou** who was born in **Greece** on **June 1, 1980** and passed away on **November 12, 2008**. You will live forever in our memories and hearts.

The background is a textured, mottled olive-green or taupe color. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly closed. The one on the right is larger and more open, showing more of its petals. Both roses are rendered in a slightly darker shade of the background color, giving them a subtle, almost ethereal appearance.

Two roses are positioned in the upper right quadrant of the image. The rose on the left is smaller and more tightly curled, while the one on the right is larger and more open, showing more of its petals. They are set against a mottled, olive-green background that has a subtle, grainy texture, resembling aged paper or a watercolor wash.

Condolences

from the deepest of our hearts...

You were so full of life,
Always smiling and carefree,
life loved you being a part of it,
and we loved you being a part of us.

You could make anyone laugh,
if they were having a bad day
Nothing could ever stop you

or ever make you fall,
You were ready to take on the world
ready to do it all,

But God decided he needed you
so from this world you left

But you took a piece of all of us,
our hearts are what you kept.

Your seat is now empty
and it's hard no to see your face.

But please always know this
No one will ever take your place.
You left without a warning,
Not even saying goodbye
And i can't seem to stop
Asking the question WHY?
But i know you are in heaven
watching over us.
We didn't see this coming
And when you left this world
A small part of us died
everyday for the rest of our life.
We'll be missing you!!!

Two roses are positioned in the upper right quadrant of the image. The rose on the left is smaller and more tightly curled, while the one on the right is larger and more open, showing its petals. They are set against a mottled, olive-green background that has a fine, grainy texture, resembling aged paper or a watercolor wash.
